Avec 15 nouvelles ceintures noires on reste dans la moyenne depuis 2017, mais on note une forte diminution du nombre de 1er dan qui passe de 19 en 2023 à 8 en 2024.

Par contre on a 3 nouveaux 4ème dan, 2 en 2024 à Espalion et à Bozouls et 1 en 2025 à Villefranche, ce qui n'était pas arrivé depuis 2017 et 1 6ème dan à Rodez. 4 grades importants sur 4 clubs différents, cela montre le bon investissement de notre département.

*Depuis toutes ces années, j'ai toujours autant de plaisir à m'investir en présence de tous les intervenants administratifs et sportifs qui oeuvrent en amitié dans l'esprit du Judo.*
